Liability Management Programs Results Report
Liability Run ID: 36903
Liability Run Date: November 05, 2016

Disclaimer:

Please note that the information posted on this Web site is provided solely for the convenience of licensees. The Liability Management Rating (LMR) provided for licensees reflects the results of a comparison of their deemed assets to their deemed liabilities for all Liability Management programs. This ratio is based on information reported to the AER and the calculation of deemed assets and deemed liabilities as specified in AER Directive: *006 Licensee Liability Rating (LLR) Program and Licence Transfer Process, Directive 024: Large Facility Liability Management Program (LFP) and Directive 075: Oilfield Waste Liability (OWL) Program.*

This information is provided without warranty of any kind, and while believed to be accurate, the AER, its agents, employees and contractors hereby disclaim any liability for losses or damages that may result or arise from the use of or reliance on the information provided on this site.
