Dear Ms. Bouvier,

**Re: Proceeding ID 343  
Bonavista Energy Corporation  
Application 1833192 and Regulatory Appeal 1857984 Proceeding  
Lucie Bouvier Request to Participate**

On May 31, 2016, the Alberta Energy Regulator (AER) issued a notice of hearing in relation to the above application made by Bonavista Energy Corporation (Bonavista) for approval of a pipeline and the regulatory appeal of the AER's decision to issue well licences 0476069 and 0476070 to Bonavista. The notice stated the purpose of the hearing is to determine whether the AER should approve the pipeline application and whether it should confirm, vary, suspend, or revoke its decision to issue the well licences, and that Bonavista, Patricia and Patrick Alexander (the Alexanders), and Evelyne Heringer are parties to the hearing.

In response to the notice of hearing, the AER panel assigned to this proceeding received: your request to participate, dated June 13, 2016; and a response to that request from Bonavista dated June 21, 2016. The panel has considered these submissions in the context of sections 9 and 32.1 of the [Alberta Energy Regulator Rules of Practice](#).

Having regard to the submissions of the parties, the information provided regarding your proximity to Bonavista's proposed pipeline and wells suggests to the panel that you have an interest in the subject matter. Furthermore, the Panel considers that the issues you have raised will not unnecessarily delay the proceeding. In the result, the panel has determined to allow you limited participation in the hearing. The panel confirms that you are permitted to make an oral presentation of up to thirty (30) minutes during the above proceeding. However, please note that if Bonavista, the Alexanders, and Ms. Heringer come to an agreement or otherwise resolve this matter, the panel may cancel the hearing by issuing notice of same.

Sincerely,
