[20150227 - CAPP Reservoir Containment WellList Revised STA Boundary.xlsx](#)

Good Day,

CAPP would like to provide that additional supporting data to the AER to further clarify the information used in the recommended adjustments to the shallow thermal area boundary in Appendix 3-2 of CAPP's January 9, 2015 submission to the AER.

The additional outstanding questions discussed on February 25, 2015 require further consideration. A response to these items will be provided at a later date.

Regards,
Patrick

Patrick McDonald P.Eng | Manager Oil Sands
