**Subject:** Request for Technical Feedback on Five Reservoir Containment Reports

As described in the attached letter, the Alberta Energy Regulator (AER) is requesting technical feedback on five reports (also attached) regarding reservoir containment at shallow steam-assisted gravity drainage schemes. The AER has identified you as someone who has relevant expertise and may be interested in providing feedback, so this e-mail is being sent to you to make you aware of the feedback process.

If you want to provide feedback, please use the attached feedback form and attach any supporting technical information. As indicated on the form, feedback is to be sent to [reservoir.containment@aer.ca](mailto:reservoir.containment@aer.ca) by September 26, 2014. Any questions you may have can also be sent to the same address.

Thank you.
